“
This is a great
service. Staff
are friendly and
helpful.

Thank you.
”

“
It's very reassuring
to have someone to
talk to, especially
someone who is not
judgemental and is
open to listen.
”

“
We have a much
more improved
understanding
of the rights of
our child and her
legal entitlement.
Without your
practical advice
we would not be
getting what our
daughter needs.
