

The 'Sense It' Classroom

Understanding sensory needs in children and young people

Enhancing your communication environment

Therapeutic approaches for children who have experienced trauma

Supporting SENCOs, teachers, teaching assistants, nursery nurses, early years support staff, play workers, social workers, carers, charity workers and voluntary groups.

Wednesday 13th November 2019

1.30pm – 4.00pm (arrival and refreshments from 1pm)

The Gallery, Brewhouse and Kitchen, Trent Bridge, NG2 2GS

Come and join us for our Autumn 2019 conference as we explore sensory processing challenges in our children and young people. We will also be exploring how to create inclusive, communication rich educational environments. The afternoon will finish by looking at how to ensure that behaviour management strategies are based in therapeutic approaches to support and enable our most vulnerable pupils to achieve.

£40 per delegate, 10% discount when booking 3 or more spaces per setting. Booking enquiries via the website:
