

Sense It!

Supporting parents, carers and foster families with:
Understanding your child's sensory needs
Enhancing your communication environment
Therapeutic parenting

Wednesday 13th November 2019

9.45am – 12.45pm (arrival and refreshments from 9.15am)
The Gallery, Brewhouse and Kitchen, Trent Bridge, NG2 2GS

Come and join us for our Autumn 2019 conference as we explore sensory processing challenges in our children and young people consider how these challenges can affect speech, language and communication and explore how to use therapeutic strategies in our everyday parenting lives.

Aimed at parents/carers of individuals identified as having an additional need, experiencing early developmental trauma or demonstrating a developmental delay in speech, language or communication.

£25 per delegate

Booking via the website: www.sparksensory.co.uk/book-online
